Questions

Introduction

The person delivering the spelling test will say the following to the pupils:

I am going to read 20 sentences to you. Each sentence has a word missing in your answer booklet. You should listen carefully to the missing word and fill this in, making sure you spell it correctly.

I will read the word, then the word within a sentence, then repeat the word.

The person delivering the test is given the following instructions and a script to follow:

Leave at least a 12-second gap between spellings.

The target words may be repeated if needed.

The 20 spellings should be read as follows:

1. Give the spelling number.
2. Say: The word is...
3. Read the context sentence.
4. Repeat: The word is...

You should take care not to overemphasise spelling when reading out the words.

Then the person reads from the following script that can be found on pages 5-8 of the Spelling Test Administration document (link below).
